

Nitesh Deshmukh

WEB DEVELOPER | CMS SPECIALIST

London, Ontario | +1 (647) 891-4873 | d.nitesh08@gmail.com

PROFESSIONAL SUMMARY

Web and CMS specialist with 4+ years of enterprise and client-facing experience creating, publishing, maintaining, and optimizing responsive websites. Advanced Sitecore 9 experience and hands-on delivery across WordPress and Elementor, Wix and Wix Studio, Shopify, and Squarespace. Skilled in translating approved designs into reusable CMS pages, applying HTML and CSS adjustments, executing release QA, and improving SEO, analytics, accessibility, and mobile usability in collaboration with creative, marketing, development, and client teams.

CORE SKILLS

CMS and website platforms: Sitecore 9.0, WordPress, Elementor, Wix, Wix Studio, Shopify, Squarespace

Front end and quality: HTML5, CSS3, responsive layouts, reusable components, cross-browser and device QA

Search and accessibility: On-page and technical SEO, GA4, Google Tag Manager, content audits, AODA and WCAG testing

Workflow and creative tools: Jira, ServiceNow, SharePoint, Adobe Creative Cloud, Canva, Microsoft 365

PROFESSIONAL EXPERIENCE

Freelance Web and Digital Specialist | Independent | India and Canada **2021-2024; 2026-Present**

- Maintain and update the Alvin Solutions website, delivering accurate content and layout changes while keeping the Wix-based site usable, consistent, and easy to manage.
- Redesigned and edited pages for Permishwar Fashions, improving content organization, presentation, and mobile usability within Wix.
- Built and maintained small-business website content across WordPress, Elementor, Wix Studio, Shopify, and Squarespace, including responsive pages, forms, content updates, SEO setup, analytics, testing, and post-launch support.
- Managed the Galaxy Fitness Club Instagram presence and designed promotional social posts; also created business cards, a trading book cover, and social media graphics for GoChartist.
- Worked directly with clients to clarify requirements, deliver updates within tight timelines, simplify website management, and support stronger inquiry and lead-generation journeys.

Sitecore SEO and Web Content Editor Dev | G-Tech Solutions for Mahindra

Jan 2020-Aug 2022

Group | India

- Created, published, and maintained automotive webpages in Sitecore 9.0 using approved designs, reusable components, renderings, templates, structured data sources, and governed publishing workflows.
- Supported more than 10 Mahindra automotive brands and localized content in four languages, coordinating source files, approvals, bulk imports, publishing schedules, and production validation.
- Implemented HTML and CSS adjustments and partnered with marketing, UI/UX, development, QA, and external vendors to resolve content, component, and presentation issues.
- Performed pre- and post-publish QA covering responsive behaviour, cross-browser presentation, links, layouts, media, metadata, SEO fundamentals, and accessibility checks; documented workflows and trained vendors.
- Supported the Scorpio-N booking launch, a high-traffic release that recorded 25,000 bookings in the first minute and more than 100,000 within 30 minutes.

ADDITIONAL EXPERIENCE

Restaurant Manager | A&W Food Services of Canada | London, Ontario **Dec 2024-Present**

- Lead and train employees, manage schedules and shifting priorities, resolve customer issues, and maintain service, safety, and compliance standards in a fast-paced operation.
- Monitor labour, food costs, inventory, reporting, and performance while coordinating decisions and operational improvements with owners and senior management.
- Promoted from Restaurant Supervisor after demonstrating accountability, team leadership, organization, and consistent execution under deadline pressure.

SELECTED CLIENT WORK

- [Mahindra Scorpio-N](#): Enterprise Sitecore page delivery, structured content, multilingual publishing, launch coordination, SEO and accessibility checks, and production QA.
- [Permeshwar Fashions](#): Wix website redesign and page editing for an international garment export business, with improvements to organization, presentation, and mobile usability.
- [Alvin Solutions](#): Ongoing Wix website maintenance and content updates for an IT and business solutions provider.
- [Galaxy Fitness Club](#): Instagram management and social media post design for a fitness business.

INDEPENDENT PROJECTS

- AI Dental Receptionist MVP: Developing a Node and Express workflow using Retell AI and Google Sheets for call handling, lead intake, after-hours responses, FAQs, emergency routing, SMS and email follow-up, and reporting.
- AI and content experiments: Developing the BillBuddy personal-finance app concept, an AI-influencer content workflow, and The Inner Citadel, a Stoic storytelling podcast published on Spotify.
